MONMIA PRIMARY SCHOOL
- Learn and Achieve -

MONMIA MESSENGER

Dear Monmia Families,

Let's celebrate week 7 and 8. It has been another two weeks of further learning for our students as they aim to achieve their learning goals set in English and Mathematics. The morning routine has allowed some of our students additional practice time and multiple exposures to master key strategies. Miss Vorpasso and I are so proud of the progress all our students are making at Monmia. Our teachers are working with students daily in small, focussed teaching groups and one on one in the literacy and Numeracy block. Specific feedback is given to each student daily so that they can achieve success in their learning. There is nothing better than knowing you have progressed in your learning. This excitement is what every teacher talks about and makes their day. The small wins are just as important as the big wins.

HIGHLIGHTS OVER THE LAST 2 WEEKS:

- Thank you to Mrs Swanson for delivering a highly engaging Performing Arts program whilst Mrs Pajic was on leave. A warm welcome back to Mrs Pajic.
- Excited P-2 students completing a two-week swimming program. Thank you, Miss West, for organising such an opportunity. Thank you to all the parent/guardian helpers who have assisted teachers in many aspects of the swimming program and to get our students back on the bus at the end of each swimming session.
- Thank you to the Daley and Saliu families for their very generous book donations. The students at Monmia will enjoy reading from the huge selection.
- Successful Pie drive fundraiser distributed by our Family and Friends. Thank you to all our families and staff who supported this event. The pies were certainly delicious.
- Thank you to Family and Friends for hosting a highly successful Playgroup session on Friday 26 August. A great opportunity to welcome new families to Monmia.
- Thank you to Family and Friends for yet another successful Father's Day Staff. This small group of hardworking parents are simply the best!
- Students using iPads as a tool for learning. Thank you to all the students who have continued to bring their iPads and laptops to school.
- Thank you to all our students and families for getting in the spirit of Book Week through the Book Parade. It was wonderful to have the Monmia Kinder and many Monmia parents/guardians attend this event.
- Thank you to Storyhouse Kindergarten for spending a school day at Monmia. It was so much fun completing activities with students from 1/2A, 3/4A and 3/4C.
- Thank you to the many students who have been wearing their sunhats out in the yard following our SunSmart school policy.
- Thank you to the School Leaders who conducted Storytime sessions at Keilor Downs Kinder and Aussie Kindies. Many little friends were made.

COVID 19 UPDATE- Current advice from the Victorian Government

Vaccination requirements

There are no longer any mandatory vaccination requirements for staff or visitors working or attending mainstream schools.

Rapid antigen tests

Further deliveries of rapid antigen tests (RATs) to schools will continue in Terms 3 and 4 to be distributed to students. Distribution of (RATs) have commenced. Ensure you utilise the tests if you are symptomatic or a household contact.

Face masks

It is strongly recommended by the Victorian Department of Health that face masks are worn in indoor settings, with face masks mandatory for those aged 8 and over who are household contacts and attending school. This is because the wearing of masks is effective in reducing the transmission of COVID-19.

It is the department's expectation that, through to the end of winter, students aged 8 and over and staff will wear masks when in class, except where removing a mask is necessary for clear communication or when a particular activity requires the removal of a mask.

Masks are not required to be worn outdoors but can be worn when physical distancing is not possible.

Expanded eligibility for fourth COVID-19 vaccine dose

The Australian Technical Advisory Group on Immunisation (ATAGI) has updated its recommendations around fourth doses of COVID-19 vaccination.

From **Monday 11 July 2022, people aged over 30 will be eligible for a fourth dose.**

ATAGI recommends that people aged 50 to 64 should have their fourth dose, while those aged 30 to 49 can choose to have a fourth dose. For further information, refer to the ATAGI website.

YOUR FEEDBACK is VALUED!

**WE WANT OUR PARENTS/GUARDIANS TO TELL US WHAT THEY THINK-
YOUR VOICE and FEEDBACK matters to us!**

Our school is conducting a survey to find out what parents/caregivers/guardians think of our school. The Parent/Caregiver/Guardian Opinion Survey is an annual survey offered by the Department of Education and Training that is designed to assist schools in gaining an understanding of families' perceptions of school climate, student behavior, and student engagement. We encourage all families to participate in this survey. Our school will use the survey results to help inform and direct future school planning and improvement strategies.

Previously a random sample of approximately 30 per cent of parents/caregivers/guardians were selected to participate in this survey. However, this year **all families are invited to participate in the survey.**

The online survey will open on **Monday 15 August to Friday 16 September.**

The online survey is available in English, Arabic, Vietnamese, Simplified Chinese, Chin (Hakha), Hindi, Japanese, Somali, Turkish, Punjabi and Greek.

The survey is to be completed **online**, taking approximately **20 minutes** to complete. The survey can be accessed at any convenient time on desktop computers, laptops, tablets or smartphones.

We are expecting every family to complete the survey so that the response rate is recorded and reflected in our overall school data.

Every family who completes the parent opinion survey will go in a draw to win a Hoyts movie voucher. The lucky winner will be drawn and announced at a whole school assembly.

The survey results will be reported back to our school at the end of September.

Please do not hesitate to seek assistance from the office staff or myself if you are having trouble completing the survey or require further information.

SPOTLIGHT ON THE CASEA PROGRAM

THE CASEA FOCUS FOR THIS WEEK IS: *Introducing STOP, THINK & DO!*

Dear Parents and Guardians,

The steps of STOP, THINK and DO are helpful in managing anger and solving problems.

When you feel the strong, hot feeling of anger, you need to STOP to cool down your anger so you don't hurt yourself or someone else. When your body and mind are calm, you will be more likely to think clearly about the problem and work towards solving the problem. Visualising traffic lights is a good way to think of the three sensible steps you can use to help you solve problems.

STOP: This involves not reacting immediately but recognizing and labeling your feelings. When you STOP and use a calming down strategy, you will calm down your body and your mind so that you do not erupt like a volcano. When you have your emotions under control you are more likely to be able to see the problem clearly so that you don't over react and make the problem worse.

THINK: This involves you considering seeing the problem from other people's viewpoints. It is important to THINK about all the different solutions and work out which solution would work best for this problem.

DO: This involves choosing the best solution and acting upon it to help fix the problem. It is really important that if that solution does not work then choose another strategy to fix the solution but remember to never give up. Sometimes you might have to try several different strategies before you find one that works for everyone.

Warm Regards,

Lucia Vorpasso

Assistant Principal - Student Engagement and Wellbeing

SPOTLIGHT ON THE CASEA PROGRAM

THE CASEA FOCUS FOR THIS WEEK IS: *Using STOP, THINK & DO!*

Dear Parents and Guardians,

Here are the steps of **STOP, THINK and DO** to manage anger and solve problems.

STOP: This involves not reacting immediately and you **STOP**, use a calming down strategy so that you do not erupt like a volcano. By stopping you will be able to see the problem clearly so that you don't over react and make the problem worse.

THINK: This involves you considering seeing the problem from other people's viewpoints. It is important to **THINK** about all the different solutions and work out which solution would work best for this problem. When we begin to think of all the possible solutions we also have to think about the long term and short term **consequences** of these solutions. Students need to think about the many possible solutions and the consequences for each before they act.

DO: This involves choosing the best solution and acting upon it to help fix the problem. In selecting a strategy to fix the problem students need to think about how he/she feels, and others might feel if that solution was selected. In solving problems it is really important to choose the strategy that will result in other people feeling happy as well as the person choosing the strategy. It is really important that if that solution does not work then choose another strategy to fix the solution.

EVERY DAY COUNTS: *Being late for school has impact!*

The Department of Education and Training requires all schools to impress upon parents/guardians the importance of regular attendance and punctuality. This means that students should:

- *attend school every school day*
- *arrive on time*
- *remain at school for the full day.*

Schools are required to monitor and follow up student absences and/or students arriving late to school or leaving early from school.

Impact of Lateness

Being 15 minutes late each day is the same as missing 2 weeks of school

Lucia Vorpasso Assistant Principal: Student Engagement and Wellbeing

EVERY DAY COUNTS

From Mid-August to the end of April, there are 5 things to remember!

Slip! Slop! Slap! Seek! Slide

Dear Parents and Guardians,

The Cancer Council of Victoria recommends that Sunsmart processes should be implemented from **Mid-August to the End of April**. Therefore, Monmia Primary School will be implementing it's **NO HAT, NO PLAY** process as part of the Sunsmart and School Uniform Policy.

Please encourage your child to wear his/her **broad brimmed hat** at school. Should you require another sunhat, they can be purchased from the school office for \$13.00 each.

Any student without a hat will be asked to sit in the shade.

Thank you for your cooperation with this very important health and safety measure.

Kind Regards,

Lucia Verpasse

Assistant Principal-Student Engagement and Wellbeing

PLEASE READ BELOW!

From Mid-August, Victoria's UV levels are on the rise, so it's time to dust off the sun protection gear and Slip, Slop, Slap, Seek, Slide whenever you are outside. Check the SunSmart UV Alert for daily sun protection times – you can find it on the free SunSmart app, online ([sunsmart.com.au](https://www.sunsmart.com.au)), in the weather section of newspapers, or as a free [website widget](#). If you can't check the UV Alert each day, make sure you use sun protection every day from Mid August to the end of April in Victoria. Don't just wait for hot, sunny days.

Remember these 5 SunSmart steps during the sun protection times, even if it's cool or cloudy

- 1. **Slip on covering clothing.** If you can see skin, UV can reach it. Is your child's skin covered with cool clothing today?*
- 2. **Slop on SPF 30 or higher broad spectrum sunscreen.** Apply sunscreen before going outdoors and reapply every two hours. One application is not enough. Has your child had sunscreen applied and reapplied today?*
- 3. **Slap on a sun protective hat.** The best hat shades the head, face, eyes, ears and neck. Does your child's hat protect all of these areas?*
- 4. **Seek shade.** Shady spaces help block some of the sun's UV but not all so you still need to wear hats, clothing and sunscreen even in the shade. Does your child have shady places to play?*
- 5. **Slide on sunglasses labelled AS 1067.** If practical, help protect your child's eyes with sunglasses. Are your child's eyes safe in the sun?*

A note about vitamin D

The sun's UV is the best natural source of vitamin D.

From Mid August to April in Victoria, most people need just a few minutes of sun exposure to the face, arms and hands (or equivalent area of skin) mid-morning or mid-afternoon on most days of the week to help with vitamin D.

Bucket Fillers

Introducing...

Dear Parents and Guardians,

Monmia is a Bucket Filling School! I can't believe how many drops I keep finding in the school's yard duty folders. These are shared at the weekly assembly'. We love how students are demonstrating the school's values when out in the yard at recess and lunchtime. Well done everyone.

The Bucket Filling Philosophy has a special pledge that is discussed with the students and displayed in classrooms. The words are precise and direct and make sense to all our students. Please discuss the words in the pledge at home with your children and try to incorporate it at home as well.

Happy Bucket Filling!
