- plan, teach and evaluate The Arts program collaboratively
- conduct The Arts sessions weekly for one hour per class in a semester
- provide a Visual Arts and Performing Arts program that will encourage students to use a wide range of materials, tools and techniques

- provide a stimulating program where each student has 'access to success' and their individual needs are acknowledged and catered for
- monitor individual abilities using formal and informal data as evidence
- provide opportunities for students to self-evaluate, reflect and use feedback
- present students with opportunities to showcase the Performing and Visual Arts Programs, through performances at school assemblies, the Monmia Art Show, school displays, school magazine contributions, the school concert, and choir performances
